PRESS RELEASE

2017/2022 PROVISIONAL VALUATION ROLL LAND TAX OUTREACH PROGRAM

The Ministry of Land Reform has finalised the preparation of the 2017/2022 Provisional Valuation Roll. As part of this process the Ministry will be conducting an outreach program throughout the country to address all land owners regarding the process of how the land values have been derived and the methodology used to determine those values before the Provisional Valuation Roll is put on display for public inspection later on this year.

The Ministry is therefore inviting all commercial farmers who own agricultural land in Namibia to attend the outreach programs at the following venues :
